

SEXUAL VIOLENCE PREVENTION
Building Leadership and Commitment to Underserved Communities
SATELLITE DOWNLINK
April 3, 2003 12:00 Noon – 2:00 pm, EST

Moderated Webcast Site Registration

If your organization is willing to participate as a moderated site for the webcast please complete the information below and return as indicated below no later than **February 21, 2003**. Once your request has been received you will be designated to serve as a moderator for the webcast and a moderator's guide will be provided with more detailed information.

Moderated Site Must:

- Have webcast link-up capability (i.e., computer, internet browser, Real Player)
- Have capability to show webcast to a group (i.e., LCD projector, speakers, screen)
- Provide a moderator
- Be accessible to all persons (e.g., community organization members, etc.)
- Have someone on-site available to provide crisis intervention with survivors and significant others
- Secure meeting room for sufficient time including post downlink discussion
- Provide local advertisement about satellite downlink presentation at the site (e.g., information on website, flyers at meetings, etc.)

Moderator Must:

- Participate in moderators training via conference call on **February 27, 2003 2:00 pm – 3:30 pm, EST**
- Moderate the viewing environment
- Facilitate program discussion using the case study and resource materials
- Facilitate Continuing Education Credits process (i.e., registration list)
- Complete and return facilitator evaluation form
